East Lothian Employer Recruitment Incentive

East Lothian Council has been awarded grant funding from the European Social and Investment Fund to deliver a wage subsidy scheme for local businesses in East Lothian.

The funding can be used to support the creation of sustainable job opportunities (including Modern Apprentices) within the private or 3rd sector for adults and young people with multiple barriers to employment.

Eligibility

- 16+ year olds
- Left school, currently not in education, training or unemployed
- Experiencing multiple barriers to employment
- Job ready and capable of successful employment
- Excludes adults and young people on the DWP Work Programme

Eligibility of Businesses

- Business base in East Lothian
- Operate in the private sector or 3rd sector
- Micro, small and medium businesses
- Turnover of less than €50m
- Must recruit an eligible person
- The job must be additional for the company in the past year
- Desirable that jobs should be sustainable following funded period (offer of guaranteed interview)

Funding will be 50% of National Minimum Wage for a maximum of 26 weeks.
