

East Lothian Council

FOI Ref: 2018/041(13113)

Background and Description of Request:

As you may be aware, in accordance with the former 'Positive about Disabled People "Two Ticks" accreditation scheme' and the current 'Disability Confident' accreditation scheme; employers who have signed up to these schemes must provide an interview to disabled candidates who meet the minimum criteria for the vacant post, if they have requested an interview under either scheme, past or present.

The UK Government has stated its high hopes that the new 'Disability Confident' scheme will help reduce workplace barriers to disabled people and reduce the disability employment gap.

As such and because East Lothian Council is a participant of the 'Disability Confident' scheme could you please inform me of the following:

- How many candidates have requested an interview under either scheme, for the time period January 2015 – January 2017?*
- State the post applied for and please advise whether the candidate was successful in their application (the position applied for may be given a more generic title if this helps avoid identification of specific staff members and breach of the Data Protection Act 1998).*
- State the total number of vacant posts advertised and subsequently filled, for the time period January 2015 - January 2017.*

Example:

<i>Job Title</i>	<i>Date</i>	<i>Interview provided under 'Two Ticks' or 'Disability Confident' scheme?</i>	<i>Successful Outcome? (Hired)</i>
<i>Administrator</i>	<i>XXXX</i>	<i>YES</i>	<i>YES</i>
<i>Teacher</i>	<i>XXXX</i>	<i>NO</i>	<i>YES</i>
<i>Clerical</i>	<i>XXXX</i>	<i>YES</i>	<i>NO</i>

Please note that this request refers to candidates who apply for any position that could result in subsequent employment by East Lothian Council, and should therefore be inclusive of candidates from all branches of the Council E.g. Education, Care, Transport, Finance, Planning, Clerical/Administrative staff etc...

Please refer to Appendix I overleaf.
