FOI Ref: 2018/061(13135)

***Under Freedom of Information, I would like to request information on education staff employed using Pupil Equity Funding (PEF). I would like to know (a) how many staff at schools are employed using PEF, (b) this information to be broken down by staff role (i.e. number of teachers, classroom assistants, additional support needs staff, etc.), and (c) how many of each staff role are employed on (i) fixed term contracts and (ii) zero-hours contracts.***

This response reflects the number of individual staff members (not FTE). The hours of these posts range from one hour per week to full time in the PEF funded roles. The information provided relates to both secondary and primary appointments as they stand at 1 February 2018:

- Total number of staff members carrying out a PEF funded role as all or part of their full time hours = 74
- Total number of teaching staff carrying out a PEF funded role = 34
- Total number of Classroom Assistants carrying out a PEF fund role = 20
- Total number of ASN Auxiliaries carrying out a PEF funded role = 12
- Total number of Nursery Nurses carrying out a PEF funded role = 7
- Total number of other staff carting out a PEF funded role = 1
- Total number of staff on fixed term contracts as part of the PEF Funded role = 74

There are no staff on zero-hours contracts.
