*Information is not held for the years prior to 2015/16.

**Please note that, although several probationers have left the Teacher Induction Scheme this year, it is too early to say whether they have left the profession, as this decision is dependant sometimes on the GTCS giving these individuals an opportunity to complete their probation on the flexible route.

In view of this, under Section 17(1)(b) of the Act, I must formally advise you that East Lothian Council has been unable to comply with those parts of your request marked * and ** as the information you require is not held.
