

East Lothian Council

FOI Ref: 2018/156(13293)

I would like to make the following Freedom of Information requests regarding non-domestic rates on shootings and deer forests please.

What is the expected income from non-domestic rates on Shootings and Deer Forests (excluding any relief scheme that has been applied) to date?

The gross charge (not expected income) is £38,549.85.

What is the expected income from non-domestic rates on Shootings and Deer Forests factoring in applicable reliefs?

The net charge, after reliefs have been applied, is £4,205.65.
