

East Lothian Council
FOI Ref: 2018/163(13300)

This is a request under the freedom of information act.

Can you please provide me with figures on fines for misuse of parking in disabled bays in car parks and in on-street disabled bays?

Can you please provide the figures in an excel format broken down by the last five calendar years available (or, alternatively, by the last five financial years)?

Ideally, the file should contain a column with the calendar/financial year, a column with the name of the council, a column with the number of fines and a column with the amount of money from the mentioned fines.

Can you also provide me with the total number of disabled bays in car parks and in on-street?

Disabled Parking Fines

No Of Bays	38
------------	----

	No of Fines	Value of Fines
