

# **East Lothian Council**

**FOI Ref: 2018/215**

***Community Centre (Alterations/Extension)  
South Seton Park, Prestonpans***

***I am writing to request a project directory which includes a list of subcontractors, suppliers and consultants & telephone numbers involved in the alterations, extension to building and associated works. The associated works include sewer systems, landscaping, cable laying, infrastructure and enabling works.***

The Principal Contractor has not yet been appointed so there have been no subcontractor or supplier appointments made yet.

The Council is providing architectural, electrical and mechanical engineering and quantity surveying services for the project. David Narro Associates are the structural engineers and Principal Designers and their contact details are publicly available.
