*How many schools currently participate in The Daily Mile? (please list those schools which do)*

*For the schools who do participate:*

- *When did they introduce the Daily Mile?*
- *Was there any consultation with parents or carers beforehand?*
- *Have there been any complaints from parents or carers about their child / children doing the Daily Mile? If so, please give basic details of the complaint(s)*
- *Does the whole school participate or just certain classes?*
- *Do the classes do the Daily Mile every day during term time, or is it ad hoc (e.g. is it a staple part of the curriculum or only done occasionally?)*

*For the schools who do not currently participate:*

- *Do they have any plans to do so?*
- *If not, do they have any information why not? (e.g. no space in curriculum, not interested, no suitable location to walk / run etc.)*
