

East Lothian Council

FOI Ref: 2018/286(484918)

I would like to make a freedom of information request to see the income and expenditure details for the coastal car parks. Information has already been made available on the Council web site for the income collected monthly July 2017 to Feb 2017, but I want to see the next period from March 2017 to Feb 2018.

Permits	£49,257.65
Cash	£149,281.37
Cashless (Ringo)	£6,965.10

In addition, I want to know how much it costs to collect the charges and how much has been invested in the upgrade and improvements of coastal car park facilities over that same period.

Collection cost	£6,449.62
Cashless cost (incl. set up)	£4,557.97
Maintenance costs (incl. vandalism)	£27,779.86
Staff running costs	£55,000
Upgrade of facility costs	£0*

*Please note that toilet upgrades are about to commence at Longniddry Bents.
