FOI Ref: 2018/293(485141)

Please could you supply the following information under the Freedom of Information Act.

Could you let me know how many children in your local authority were being home-schooled during the following three years please:

Between March 2014 and March 2015, March 2015 -2016 and March 2016-17. (Figures per academic year would also be acceptable).

If there has been a significant increase or decrease between these three years, any explanation would be welcome.

The following figures are per academic year:

2014/15	13 children
2015/16	13 children
2016/17	15 children

There has not been a significant increase or decrease in home schooling during this time.
