

# East Lothian Council

**FOI Ref: 2018/495759**

**1. How many staff members at the council earn over £100,000 a year, if so can you how many in each department of the council?**

**2. What percentage of the Council's expenditure is spent on staff wages, again if possible broken down by department and their own departmental budget?**

The attached spreadsheet shows Budget & actual spend for staffing for 2016/17

The Council's Net Spend was £233,196,000.00

Of this, Staffing Spend was £134,744,344.10

Percentage: 57.78%
