

East Lothian Council

EIR Ref: 2018/498986

I would like to request the following information

1) The number of requests for pest control services from members of the public, specifically to deal with rats, recorded during the years 2015, 2016 and 2017, broken down by date, location and including any available description of the problem.

East Lothian Council (ELC) did not offer pest control services for the general public at this time, only ELC tenants. Please refer to the attached "Rodents 2015.pdf" and "Rodents 2016.pdf" for the information recorded.

2) The number of pest control issues recorded within council-run premises specifically involving rats recorded during the years 2015, 2016 and 2017, broken down by date, location and including any available description of the problem.

Please refer to the attached "Property Maintenance Pest Control.pdf" which includes pest control issues reported by ELC tenants.
