

East Lothian Council
FOI Ref: 2018/493832

a) All recorded instances of violent behaviour or assault carried out upon teachers in schools operated by the council for the year 2017.

Please refer to the table below.

b) A breakdown of the above information by date, year group of pupil, nature of incident and how each incident was dealt with (ie pupil disciplined, police involved etc).

Although East Lothian Council holds further information about these incidents, it is exempt from disclosure under Section 38(1)(b) of the Freedom of Information (Scotland) Act 2002. This exemption relates to personal information. When information is released as the result of a freedom of information request it is technically released to the general public, and not just to the person or organisation making the information request. The information recorded about each incident relates to the individuals concerned and the particular circumstances leading up to the violent behaviour/assault. East Lothian Council is a small, rural authority with few schools and so few incidents that we fear releasing this level of detail, along with dates and year group, would lead to the identification of the pupils and teachers involved.
