

## East Lothian Council

FOI Ref: 2018/499767

*Under FoI, could you please send me details of how your secondary schools have used pupil equity funding (PEF), provided by the Scottish government, in the 2016-17, and 2017-18 academic years (to date).*

*For each school, please include the total amount spent in 2016-17, and the amount expected to be spent in the current academic year.*

*Please also include a brief description of each project/initiative funded with PEF, and the cost of each project/initiative.*

Academic year 2016/17:

Nil

Academic year 2017/18:

| School                    | Total Spend 2017-18 | Planned actions and interventions   | Delivery                          |
|---------------------------|---------------------|---|-----------------------------------|
| Dunbar Grammar            | £37298              | Targeted intervention to improve attainment   | Additional Staff                  |
| Knox Academy              | £16000              | Targeted support for Literacy Nurture   |                                   |
| Musselburgh Grammar       | £25249              | Nurture<br>Health and Wellbeing<br>Intervention<br>Employability<br>Attainment            | Additional Staffing               |
| North Berwick High School | £8001               | Literacy interventions<br>Support for SEBN  | Resources and Additional Staffing |
| Preston Lodge High School | £25872              | Intensive literacy support programme<br>SRA<br>Cognitive theory<br>Targeted interventions | Additional Staffing<br>Resources  |
| Ross High School          | £41059              | Nurture<br>Intensive literacy and numeracy interventions<br>Health and Wellbeing          |                                   |
