

East Lothian Council

FOI Ref: 2018/501990

1.	<i>What proportion of the school estate is fitted with a) automatic fire alarms and b) smoke detectors?</i>
	All areas of our six secondary schools are fitted with fire alarms and smoke and/or heat detectors. The detectors are linked to an auto-dialler system and there are multiple manual call points throughout the schools.
2.	<i>Please list all school buildings that are not fitted with automatic fire alarms and for each provide detail of what alternative is in place.</i>
	N/A
3.	<i>Please list all school buildings that are not fitted with smoke detectors.</i>
	N/A
4.	<i>What training is in place for teachers and head teachers where no automatic fire alarms are in place, how often is this training delivered and how many teachers in each of these schools is adequately trained.</i>
	N/A
