PART 2

N/A – NO PRIMATES LICENSED IN EAST LOTHIAN

10) If there are primates licensed in your area, please provide copies of all licences, and the most recent relevant veterinary and inspection report(s) for each licence (on the understanding that for data protection purposes, certain information may be obscured). If no written reports are available, please indicate the date on which the most recent report was conducted, by whom, and the outcome of the visit. If not included in the report(s), please also provide the following information:

For each licence issued for primates:

a) How many individuals of each species are covered (please provide the scientific name: i.e. *Cebus apella*)?

c) What is the age and sex of each licensed primate? If this information is not kept by your council, please indicate so.

b) Where was each primate obtained? If this information is not kept by your council, please indicate so.

c) Are these primates considered to be pets? If not, how are they classified?

d) Please confirm whether any restriction is placed on the breeding of the licensed animals. If no restriction exists, please indicate whether the existing licence would automatically cover the offspring, and until what age this cover would last.

e) Has a licence been issued to the licence holder previously?

f) If so, what was the last year a licence was issued, and what primates were licenced?

11) Would you or someone in your department, be willing to share any further information about DWAAA licensing?

And who can we contact for such information?
