FOI Ref: 2018/505385

I would like the following information for the financial years: **2009/10**; **2016/17** and **2017/18** (*if data for the full year are available*).

(i) The total amount of funding your council provided for all domestic abuse services.

See attachment

(ii) The total amount of funding your council provided for specialised domestic abuse services for black and minority ethnic (BAME) victims of domestic abuse.

No specialised domestic abuse services-for information we work in partnership locally with Women's Aid East and Midlothian who can provide specialist support in several languages and also Shakti Women's Aid who are Edinburgh based but provide outreach.

If one part of this request can be answered sooner than others, please send that information first followed by any subsequent data. If some information takes this request over the cost limit, please supply what you can within the cost limit. Under section 16 of the Freedom of Information Act (2000) a public body has a duty to provide advice and assistance to help the requester make their request manageable within the cost limit. As such, please let me know if any difficulties arise so we can negotiate how best to proceed.

If FOI requests of a similar nature have already been asked could you please include your responses to those requests. If you need any clarification then please don't hesitate to contact me.

I would like to receive the information electronically, preferably in .csv format.
