

East Lothian Council

EIR Ref: 2018/507435

Please would you tell me:

1. The number of applications to the council for pest control in each postcode area (e.g. L1, M20) that you cover during the calendar years 2016, 2017 and 2018 to date (May 14 or whichever is closest).

Please break this down by postcode area and type(s) of pest.

I would prefer this data to be supplied in soft copy spreadsheet (.xls) format. If you require any clarification of any part of this request, please do not hesitate to contact me.

Please note-Environmental services have advised-we only record which pest complaints we actually deal with. From mid June 2016 we have not offered a pest control service and advise complainants to contact a private contractor – full details of these complaints are not recorded.
