

East Lothian Council

FOI Ref: 2018/504197

1. Can you provide information regarding whether or not sanitary products are provided to those who have been made homeless and are residing in:

- a) Furnished flats/houses**
- b) Supported accommodation**
- c) Rooms with shared accommodation**
- d) Bed and breakfasts**

2. Does the local authority have a policy with regards to providing sanitary products to those who have been made homeless?

3. Where sanitary products are provided to those who have been made homeless and now residing in temporary accommodation how often are stocks replenished and is the annual cost of this:

- a) In furnished flats/houses**
- b) In Supported accommodation**
- c) In Rooms with shared accommodation**
- d) In Bed & Breakfasts**

4. In the instance that the council holds a stock of sanitary products that can be distributed to individuals seeking emergency accommodation if necessary:

- a) what is the process for accessing this supply, for example is there a form in which individuals can state that these products are required.**
- b) is there any record of how often this supply is accessed/replenished**

Not applicable, this is not a service that East Lothian Council provides.
