

East Lothian Council

FOI Ref: 2018/504622

1. How much did East Lothian spent building their new website?

Details of the total estimated contract value of the website project is published in East Lothian Council's Contract Register. The register is available on ELC's website and a link to the relevant item is provided for your convenience, the contract reference is CON-17-1410: https://www.eastlothian.gov.uk/downloads/file/22860/contract_register.

Please note that the cost referred to is the total contract for delivery of the new website and its ongoing maintenance between 2017 and 2021.

If further detail of the spend is required, it would be helpful if you could please define what you consider to be within scope of a "build" cost.

2. Were outside contractors used to the building if so, who and how much did they charge?

Please refer to CON-17-1410 as mentioned in Q1 above.

3. How long did it take to build the website from the decision to build one to its and full public launch?

11 months in accordance with ELC's instructions.
