

## East Lothian Council

FOI Ref: 2018/511673

***How many villages/towns in East Lothian deploy vehicle-activated systems with a digital speed display that can be read by the drivers of incoming vehicles?***

Currently 31 villages/towns.

***Of those villages/towns in East Lothian that deploy such systems, how many have undertaken traffic surveys within the last ten years to determine their effectiveness?***

None

***Can I see the results of these surveys, please?***
