

East Lothian Council

FOI Ref: 2018/515019

Under FOISA, please state the value the Scottish Welfare Fund places on a food bank parcel when calculating the level of award it provides to a successful applicant (for a crisis or community care grant) (i.e. how much is added to the income, or deducted from the award, should the applicant successfully obtained a foodbank parcel)

Food bank referrals/awards have no bearing on any calculation of Crisis/Community Care applications.
