E.g may I see the criteria that allows a child to be granted an additional funded year at nursery.

East Lothian Council does not operate a fixed criteria that allows a child to be granted an additional funded year at nursery.

The focus when considering deferrals will take account of

- approach and attitude to learning*
- ability to communicate own needs, feelings and ideas*
- levels of independence and self help*
- emotional and personal development, including self-confidence and esteem*
- relationships and friendships with other children and adults*

- May I also request class sizes for each nursery class for session 2018/2019.

- Can you also provide me with how many children each class at Dunbar nursery has the capacity to hold.

See table above. We do not break down into classes. Schools will manage pupil groupings in the early learning and childcare setting.

- Can you tell me class sizes for all nurseries in the Dunbar cluster (e.g. West Barns, Innerwick etc.) and how many children each nursery in the cluster has the capacity to hold.

See table above

- Do schools receive any funding from the Scottish government for each child in school nursery? If so, how much per child?

The total GAE funding to local authorities is not broken down into specific grant per child. Schools receive budget allocation based on East Lothian Council's Devolved School Management model.
