

East Lothian Council

FOI Ref: 2018/532313

Under the Freedom of Information Act 2000, please provide me with the name and contact details of the manager responsible for the issuing and enforcement of Bulk Item Collection Service. I am led to believe this in fact falls under the remit of your environmental health department.

The collection of bulky items is not a statutory obligation of the Local Authority and there is no issuing or enforcement of the Bulk Item Collection Service. The Council's Waste Services section does provide householders with a service where they may book a collection for bulky waste items and we also provide four Recycling Centres where householders may bring bulky household items for reuse, recycling or disposal.
