

East Lothian Council

FOI Ref: 2018/537272

Within the MRAC Working Group Update document at point 3.3 there is reference to "The Common Law and Statute that govern the Musselburgh Links and the reclaimed lands."

I would be most grateful to receive a copy of "the Common Law and Statute" for Musselburgh Links and the reclaimed lands.

The information in which that statement was referring to is as follows:

Common Law: This is the Case Law known as Sanderson v Lees, Co (1859) 22 D. 24

Statute: The document referred to is "East Lothian District Council (Musselburgh Links, etc.) Order Confirmation 1985"

Please note that it is not possible or practicable to state all common law or statutes which would affect or regulate the land however the above are specifically in place to deal with the land in question.

A link to relevant information published on the Council's website is also provided for convenience:
