I am doing a survey of swimming in my local area and I would like to put a freedom of information request for the number of pupils that took part in swimming lessons provided in Primary 4 in Prestonpans and in the whole of East Lothian County.

I also would like to know what happened to the ones that cannot swim at the end of their block or need more instruction - where do they go and how many pupils were deemed to be in that category?

In Academic year 2016 -17

Number of pupils in P4 curriculum swimming in Prestonpans cluster : 175

Number of pupils in P4 curriculum swimming in East Lothian : 1,144

If a child cannot swim at the end of the 10 week block they are given the opportunity to go into the community Learn to Swim Programme run by enjoyleisure at a swimming pool of their choice - free of charge.

In academic year 2017-18 this number in Prestonpans Cluster : 53

In academic year 2017-18 this number in East Lothian : 308
