

## East Lothian Council

EIR Ref: 2018/538201

***The Fashion School at Castellau House, Belhaven Road, Dunbar, East Lothian, EH42 1DA is a category-B listed building.***

***When it opened, the colour of the entrance door was changed from dark brown, to fuschia pink. There were numerous complaints about this, and a retrospective planning application had to be made.***

***I request details of this application, and who sat on the panel that agreed that the fuschia pink colour could remain.***

The Officer's Report on the handling of the planning applications (15/00074/P and 15/00074/LBC) is available on the Council's website. This means that, for the purposes of this legislation, your request is excepted under Regulation 6(1)(b) of the Environmental Information (Scotland) Regulations 2004 as the information is already publicly available and easily accessible in another form or format. We have, however, provided a link to the relevant page for your convenience:

The Listed Building Consent was referred to Historic Scotland and they made no comment. There was no panel because it was a deleted decision.
