

East Lothian Council

FOI Ref: 2018/542868

For the year 2017-2018 please supply me with -

a) The investigatory procedures followed in response to "out of control" dog complaints.

Investigations are carried out in accordance with government guide lines and in compliance with the Control of Dogs Scotland Act 2010.

b) The number of investigations carried out into possible "out of control" dogs.

339

c) The number of warnings issued for "out of control" dogs and please break this figure down by breed and the specific nature of the complaint.

Nil

d) The number of dog control notices issued for "out of control" dogs and please break this figure down by breed and the specific nature of the complaint.

Six Dog Control Notices issued:

- Rottweiler (dog on dog)
- Staffordshire Bull Terrier (dog on dog)
- Dorset Bull Dog (dog on human)
- Two Doberman (dog on dog)
- Turkish Kangal (dog on dog)

The previous figures supplied are inaccurate due to misinterpretation of the wording of the original request.

The revised figures are correct for the years 2017/2018 to date.
