FOI Ref: 2018/544116

INFORMAL EXCLUSION

1/ The number of pupil enrolments (i.e. individual pupils) who were informally excluded at some stage in the past academic year (2017/18). To clarify, this refers to pupils who were removed from lessons and sent home or where parents were asked not to bring children in to school for a while. It excludes formal exclusions (either in the form of a permanent or fixed-term exclusion) or teaching in an isolation room.

Nil, East Lothian Council's (ELC) policy does not allow informal exclusions.

ISOLATION BOOTHS

2/ Whether the school uses isolation or consequence booths. If used, please outline the rules of their use i.e. how many hours pupils are expected to remain at the booths, the number of toilet breaks permitted, whether they are allowed out to into the playground or to exercise at lunch and break etc.

ELC schools do not have isolation booths.

3/ The number of occasions that pupils have attended such a booth continually for at least a week (i.e. they were present all day on consecutive days for at least a week) in the past academic year (2017-18).

Not applicable

4/ The number of pupil enrolments with SEN who have been placed in isolation or consequence booths in the past academic year (2017/18).
