***I am looking for information about the most recent school year.***

***The percentage of pupils at each school who receive: 1 Higher Award grade A-C, 3 Higher Award grades A-C, 5 Higher Award grades A-C.***

***The percentage of pupils at each school who receive: 1 Higher Award grade A, 3 Higher Awards at grade A, 5 Higher Awards at grade A.***

Clarification Requested:

In order for East Lothian Council to process your request efficiently, it would be most helpful if you could please clarify as follows:

- Are you looking for cumulative awards or just the awards received in the most recent school year?
- Do you mean all pupils in the senior phase who sat a Higher in that year or just a particular stage group?

Clarification Received:

***The most recent school year, and if the information could be broken down by each stage group, that would be great.***

## **Data Requested:**

Below are tables for each secondary school in East Lothian showing the percentage of pupils who sat Higher qualifications in 2017/18 at each senior phase stage. The percentages do not take account of the number of Highers sat by each pupil nor do they take into account any Higher awards that may have been achieved by the pupils in previous years. College presentations and courses completed/certificated during the session are also not included in the figures.

*Note: where the number of pupils was greater than 0 but less than 5, this information has been suppressed (\*) to avoid individual pupils being identified.*
