I would like to know how many parking tickets have been issued by ELC under offence code 01 (parking on a pavement?) in the close proximity to the Aberlady Nature Reserve car park, in each of the following financial years; **Please see table below.**

2015-16, 2016-17, 2017-18 and from 1 April 2018 to 20 October 2018

Of those tickets issued how many were paid within 14 days, 28 days or not at all.

Additionally are there any plans to erect "No Parking" notices in the area? **There are no plans to introduce signs as double yellow lines are clear so no parking should take place on pavement**
