

## **East Lothian Council**

**FOI Ref: 2018/552725**

On 10 July 2018 I requested information on the following: (a) how many of the 435 additional teachers or graduates do you expect to be allocated to your local authority area; (b) how many of these expected teachers or graduates will be in place by this August.

Could you now confirm how many of the additional teachers or graduates were in place by the start of the new term in August 2018.

Response

**Three allocated. None of the three were in place for August 18.**
