Add our virtual engagement event to your diary

Please come along to one of our spring events to:

- hear about the proposed new cycle-path and walkway on the southern boundary of the new hospital
- find out about opportunities to become a project team member and contribute to the design
- meet our partners.

Members of the construction and planning team will be available to chat with you, too, and answer any questions. **Please email Ausra.Montvydaite@nhslothian.scot.nhs.uk and she will send you meeting invite with links.**

Can't make either meeting?

If you are not able to join us but would like an update on what happened, please contact Miriam Anderson, Senior Capital Planning Manager at Miriam.X.Anderson@nhslothian.scot.nhs.uk
