The Summer Reading Challenge

Get curious about reading with the Summer Reading Challenge! For this year's Challenge, The Reading Agency has partnered with the Science Museum Group to create 'Gadgeteers', inspiring children to use their curiosity and creativity to discover the science behind the everyday, and celebrate the role of the imagination in both reading and the sciences. The Gadgeteers are planning an EPIC summer party! Through reading books and collecting rewards, Challenge participants will help the Gadgeteers use their special skills to get everything ready. With exclusive incentives to collect and plenty of brilliant books to enjoy, the Challenge is the perfect summer activity to build young readers' skills and confidence during the long break from school. Libraries will have a range of activities for children to participate in with Haddington Library having events planned for each Friday afternoon from 2.30pm. Visit your local library from Friday 24th June to sign up for the challenge and find out more.

Summer Reading Challenge 2022

GADGETEERS

Presented by The Reading Agency.
Delivered in partnership with libraries.

East Lothian Play Association (ELPA) are running two Pop Up play sessions in Haddington on:
