---

Hi

I first met with the then manager/senior, back in last Autumn or even last summer ( will have the dates) to try to find some dates for when I could deliver training around nurturing interactions. We had agreed on a Saturday, that then vetoed; I offered to do whatever time suited them. It took the nursery until this summer term to agree times

18<sup>th</sup> May: Attachment and Attunement: the foundations of development

1<sup>st</sup> June: Applying Attachment Theory in Practice

13<sup>th</sup> June: Scaffolding and the Zone of Proximal Development

We had planned ( ) to continue these sessions, looking at Language is a Vital Means of Communication, All Behaviour Is Communication, using PSPs etc.

Hope this is of help,

Best wishes,

---

Hi everyone

I have a huge favour to ask you all. Could you please, as soon as you can, send me how you have supported Pear Tree this far with dates if you have them? I would really appreciate if I could have these by lunchtime on Wednesday. I am part of a meeting with the company on Thursday.

Thanks so much

Warmest regards

Quality Improvement Officer (Early Years)
