

SUPPLEMENTARY APPLICATION INFORMATION

This information is required in relation to all Premises Licence/Provisional Licence applications or any application which is a Premises Licence Variation, not considered to be a Minor Variation.

Application submissions generally tend to be insufficiently detailed as to provide a complete picture of what businesses propose to provide the public. Therefore, Licensing Boards often have too little information, in advance of Board hearings, to fully appreciate what is being applied for. This situation often leads to numerous unnecessary objections and representation being made due to interested parties, such as neighbouring residents, not understanding what proposed activities really relate to i.e. What does Live Music actually mean and how will it impact on their lives. For these reasons, the Board has made a policy decision to require applicants to provide a fuller description of their business proposals and detail how the five licensing objectives will be met.
