Just spoke to [redacted] area manager at CI [redacted]. The statement below from [redacted] is inaccurate. They are not supportive of their action. [redacted] spoke to [redacted] last night

*Please be aware that the Care Inspectorate is fully supportive of our decision taken in the case of [redacted], our learning and care environment is not at all suitable and is impacting on the wellbeing of [redacted] as well as all the other children we care for every day. This was an informed decision we made and I informed the parents of yesterday.*
