Dear XXXX

Following our recent communications, you have confirmed that the ownership of Pear Tree Limited (registered under the Companies Acts with Company Number SC293380) will pass to Cresswell Nurseries Limited, but it is intended that any services provided under the Funded Provider Agreement (the Agreement) dated 23 August and 28 September 2021 will continue to be by Pear Tree Limited (and not novated to Cresswell Nurseries Limited).

The Agreement says that in the event the Funded Provider changes ownership, the Agreement may be terminated. However in this case, subject to our internal checks/any further legal requirements, we confirm that the contract between Pear Tree Limited and East Lothian Council will remain in force until the end date in the Agreement.

Warmest regards

XXXX
