Dear

Thank you for taking the time to speak to me this afternoon.

My understanding, from our conversation, is that you are not willing to grant a further undertaking past the 13<sup>th</sup> of September but would expect to inform us of the Council's position no later than Tuesday (13<sup>th</sup>). I also understand that we can expect to be given a reasonable opportunity to consider/respond to the Council's position before the Council would make a public statement regarding the funding position.

I would be grateful if you could confirm the above in writing. In the event that you are able to do so, it would be our intention to hold off lodging the Petition today or Monday.

I look forward to hearing from you.

Kind regards,

Solicitors

Dear \_\_\_\_\_,

With reference to your email of 5<sup>th</sup> September, the Council's undertaking expires - ostensibly - at midnight on 12<sup>th</sup> September. The exact wording was that the Council would consider its decision on 13<sup>th</sup> September. You will understand that we need to start communicating now with the Petition Department, Keeper's Office and senior counsel's Clerk to register the petition and put in place arrangements for a hearing of the Petitioner's interim orders motion on Monday 12<sup>th</sup> September, or Tuesday 13<sup>th</sup> September if you confirm that the undertaking is to be read as subsisting until close of business on 13<sup>th</sup> September.

Can you advise us where the Council stands on the matters raised in the petition?

Regards,

Solicitors
