KEY QUESTION - What is working well (and not so well) in this area in relation to:

1. reducing inequalities across and within our communities;
2. supporting people to develop the resilience they need to lead a fulfilling life;
3. developing a sustainable economy across the area;
4. ensuring safe and vibrant communities?

6. Next steps

Next meeting – Monday 16th June, 7pm at Musselburgh East Community Learning Centre

East Lothian Partnership

Musselburgh Area Partnership

Table topics and sub-topics

1. **To reduce inequalities across and within our communities;**
 - a) POVERTY – Fewer people across our community are living in poverty.
 - b) HEALTH – We live healthy lives and the gaps in health inequalities are closing.
 - c) INCLUSION – our communities are supportive and inclusive places

2. **To support people to develop the resilience they need to lead a fulfilling life;**
 - a) CHILDREN AND FAMILIES – Children in our area get the best start in life and are ready to succeed.
 - b) OPPORTUNITIES FOR YOUNG PEOPLE – Our young people have the opportunities needed to become successful learners, confident individuals, effective contributors and responsible citizens.
 - c) PEOPLE - People in this community have the skills, confidence and support needed to make positive changes in their lives and their communities.

3. **To develop a sustainable economy across the area;**
 - a) TOWN CENTRES – Our town and village centres are thriving and well maintained places where people want to be.
 - b) BUSINESS AND EMPLOYMENT – Our business sectors are growing and a higher proportion of our residents are working in, and therefore contributing to, East Lothian's economy.
 - c) SUSTAINABILITY – We are changing our patterns of consumption to reduce our use of finite natural resources.

4. **To ensure safe and vibrant communities.**
 - a) SAFETY – Our area is a safe place – indoors and out.
 - b) HOUSING – People in this area have access to high quality sustainable housing that meets their needs.
 - c) LOCAL ENVIRONMENT – We have high quality natural environments and greenspace in our area that enhances the wellbeing of our communities.
