# WHISTLEBLOWING POLICY - DISCLOSURE OF SERIOUS CONCERNS IN THE WORKPLACE

#### 1 INTRODUCTION

- 1.1 This Policy is designed to provide guidance to employees on reporting incidents of malpractice or wrongdoing, which occur at work. It gives clear instructions on how matters can be dealt with thoroughly, discreetly and in a confidential way.
- 1.2 At one time or another you may have had concerns about certain incidents, which have occurred at work. Usually these concerns can be easily resolved. However, when they relate to unlawful conduct, financial malpractice, health and safety issues or dangers to the environment, it can be difficult to know what to do.
- 1.3 The Council, with the support of the Trade Unions, has introduced this Policy to enable you to raise your concerns as soon as you have a suspicion of any malpractice or wrongdoing. The disclosure should be made in the public interest, which includes a risk to the wider public, customers, staff or the organisation itself.
- 1.4 This Policy applies to all employees of the Council and to all workers engaged in the business of the Council e.g. consultants and subcontractors.
- 1.5 This Policy does not deal with individual employee grievances; a separate Procedure exists for this purpose.

#### 2 SCOPE OF THE POLICY

- 2.1 This Policy covers the following categories of malpractice or potential malpractice:
  - a) A criminal offence;
  - b) A failure to comply with any legal obligation;
  - c) A miscarriage of justice;
  - d) A danger to the health and safety of any individual;
  - e) Damage to the environment; or,
  - f) The deliberate concealment of information indicating any of the above matters.

- 2.2 Examples of malpractice which should be reported might include:
  - Theft of Council property
  - Misappropriation of Council Funds
  - Release of illegal substances into the water system
  - Delivery of services when not registered to do so
  - Breach of Health and Safety Regulations
  - Concealment of fraudulent conduct

### 3 POLICY COMMITMENT

### **Your Security**

- 3.1 East Lothian Council is committed to good practice and high standards and wants to be supportive of employees who raise a genuine concern. The Council recognise that the decision to raise a concern can be a difficult one to make and will protect an employee who raises a genuine concern if:
  - they honestly and reasonably believe that what they are reporting is true; and
  - they believe that their disclosure is in the public interest.
- 3.2 The Council will not tolerate harassment or victimisation and will take appropriate action to protect an employee who raises a concern in the public interest. The Council will consider it a disciplinary matter if any employee causes detriment to a Whistleblowing colleague.

# **Keeping Your Confidence**

- 3.3 We recognise that you may want to raise a concern in confidence under this Policy. All concerns raised in accordance with this Policy will be treated with the utmost sensitivity and will be kept confidential unless there is an overriding reason why the identity of the employee(s) raising the concern should be disclosed (for instance if the evidence is needed in court or at a disciplinary hearing). In such circumstances, we may be unable to resolve the concern without revealing your identity. If it becomes necessary to reveal your identity the reasons for doing so will be fully discussed with you in advance.
- 3.4 To assist in the effective investigation of concerns this Policy strongly encourages individuals to reveal their identity when reporting a concern. Protection can only be given under this policy to someone who discloses their identity to the contact officer when reporting their concern.

However, where an anonymous report is received about an alleged malpractice or wrongdoing this also will be acted upon.

### 4 RAISING A CONCERN

- 4.1 There are a number of routes available to raise any concern you may have (either in person, in writing or by telephone):
  - **Route 1:** If you have a concern about malpractice, we hope you will feel able to raise it first with your line manager or team leader. This may be done verbally or in writing.
  - **Route 2:** You can call the Council's dedicated Whistleblowing hotline **01620 827878** or email whistleblowing@eastlothian.gov.uk
  - **Route 3:** You can raise your concern with any of the nominated Whistleblowing contact officers from within your service area. Contact details of these individuals are attached as Appendix 1.
  - **Route 4:** If you prefer not to raise your concern within your service area, you can raise your concern with any of the nominated Whistleblowing contact officers from other service areas or with any of the Council-wide contact officers. Details of Council-wide contact officers are attached as Appendix 2.
  - **Route 5:** If you are unable to make a disclosure using routes 1, 2, 3 or 4 and prefer not to raise your concern internally, you can raise it with an appropriate External Agency such as the Health and Safety Executive, the Scottish Environmental Protection Agency or Audit Scotland. A list of useful contact details is attached as Appendix 3.
  - (**Please note:** The statutory provisions providing protection to individuals reporting a concern to external agencies are effective only if certain conditions are satisfied). Confidential advice about external agencies and the circumstances in which you should contact them, is available from Public Concern at Work (see below, under Section 6 Independent Advice).

# 5 RESPONSIBILITIES OF THE PERSON WITH WHOM YOU RAISE YOUR CONCERN

- 5.1 Whichever route you choose, the person with whom you raise your concern has the responsibility to:
  - consider if your disclosure is being made in the public interest,
  - consider the details of your concern and confirm that it falls within the scope of this Policy,

- formally record your concern and consider how best to deal with it (a Record Form is attached as Appendix 5),
- · review the details of your concern and determine how to progress it,
- tell you how your concern will be dealt with and keep you up to date with progress.

### **6 INDEPENDENT ADVICE**

- 6.1 You may wish to talk to someone confidentially **before** you raise your concern. Independent, free and confidential advice is available to you from Public Concern at Work (Tel: **0207 404 6609** or email: help@pcaw.org.uk).
- 6.2 Public Concern at Work are an independent charity providing advice on what to do if you have a serious concern about possible malpractice at work. They will be able to advise you on the appropriate route to follow to raise your concern and on the circumstances in which you may be able to raise your concern with an external agency.
- 6.3 If you are a member of a Trade Union, you may also contact your Trade Union representative. Contact details for local Trade Unions are attached as Appendix 4.
- 6.4 Free independent advice is also available from the Acas helpline on **0300 123 1100**.

### 7 HANDLING YOUR CONCERN

- 7.1 Once you have informed a contact officer of your concern, the officer (or external agency) will assess what action should be taken. This may involve an internal investigation. You will be told who is handling the matter, how you can contact them and whether you may be needed to give any further assistance. If you wish, we will write to you summarising your concern and setting out how we propose to handle it.
- 7.2 When you raise your concern, you may be asked how you think the matter might best be resolved. If you have any personal interest in the matter, you must tell us at the outset.
- 7.3 A summary of the procedure to be followed in handling your concern is attached as Appendix 6.

#### 8 THE OUTCOME OF YOUR CONCERN

- 8.1 You will be given feedback on the outcome of any investigation. If you wish, we will provide this feedback in writing. However we may not be able to tell you the precise action taken where this would infringe the duty of confidence owed by us.
- 8.2 If following investigation, it is established that an employee raising a concern, did not do so in good faith, but instead knowingly made a false and malicious allegation, then this will be regarded as potential misconduct, which may warrant disciplinary action.

### 9 MONITORING THIS POLICY

- 9.1 A summary of concerns raised under this Policy and the outcomes arising from these concerns will be reported to the Audit and Governance Committee on an annual basis. No individuals will be named in this report.
- 9.2 The Head of Council Resources, Service Manager Legal and Procurement and Internal Audit Manager will undertake an overview of the operation of this Policy. To assist in this, anyone raising a concern under the scope of this Policy may contact any of these three officers to give feedback of their experiences of using the Policy, including suggestions for improvements.
