| Please provide a description of your proposal to which your review relates. The description should be the same as given in the application form, or as amended with the agreement of the planning authority: * (Max 500 characters)  |
|--|
| This proposal is for the demolition of the former Bank Hall at 12 Westgate, NB, and its replacement by a contemporary house with discrete ground floor office space. The Bank Hall has no architectural merit, but is B Listed because it is joined to the former Manager's House, a decent Edwardian villa. The site is bounded to the south by Westgate and to the north by Beach Road. The Report contains little assessment other than asserting undefined harm to the character of the Building.          |
| Type of Application  |
| What type of application did you submit to the planning authority? *   |
| Application for planning permission (including householder application but excluding application to work minerals).  Application for planning permission in principle.  Further application.  Application for approval of matters specified in conditions.   |
| — Application for approval of matters specified in containone.   |
| What does your review relate to? *   |
| Refusal Notice.  Grant of permission with Conditions imposed.  No decision reached within the prescribed period (two months after validation date or any agreed extension) – deemed refusal.   |
| Statement of reasons for seeking review  |
| You must state in full, why you are a seeking a review of the planning authority's decision (or failure to make a decision). Your statement must set out all matters you consider require to be taken into account in determining your review. If necessary this can be provided as a separate document in the 'Supporting Documents' section: * (Max 500 characters)  |
| Note: you are unlikely to have a further opportunity to add to your statement of appeal at a later date, so it is essential that you produce all of the information you want the decision-maker to take into account.  |
| You should not however raise any new matter which was not before the planning authority at the time it decided your application (or at the time expiry of the period of determination), unless you can demonstrate that the new matter could not have been raised before that time or that it not being raised before that time is a consequence of exceptional circumstances.   |

| The app has been ref'd as cont'ry to policy. In fact it is not. The business heart of NB stops 75m E of the site. The app'n has been misrep as nonconf'g and dam'g to the arch'l signif'e of the adj'g s-det villa. There is no ass't against ad'd policy, but mere opinion. The site was ancill'ry to the house before it was a Bank. The Bank is an ugly ext'n, added regardless of style. It is useless as commercial space. The app'n is adapted to the site, to respect its neighbours and the surr'd'gs. |
