Delivering services for East Lothian Council. Enjoy East Lothian Ltd, also known as 'Enjoy' and 'Enjoyleisure'. Scottish Registered Charity Number: SC040527

Enjoy is a company limited by guarantee, governed by its memorandum and articles of association and does not have a share capital. The company has charitable status under sections 466 to 493 Corporation Tax Act 2010 and its Scottish Charity Number is SC040527.

In order to secure charitable status, **Enjoy** must be entirely independent of ELC. Any perceived control exerted by ELC over **Enjoys** business activities could threaten **Enjoys** charitable status and be scrutinised by the Scottish Government.

The provision of services by **Enjoy** to ELC is governed by a contract between the two organisations. The only influence ELC is able to exert over **Enjoy** is in terms of this contractual arrangement for the management of its sport facilities, for which ELC makes a contract payment.

All of the employees engaged in the provision of the services are wholly employed by Enjoy.

Enjoy is Governed by a Board of voluntary Directors (non-executive) who have a wide and diverse range of skills and add value not only to Enjoy but the partnership as a whole. East Lothian Council have four nominated representatives (Directors) on the Board who are currently, Cllr John McMillan, Cllr Jim Goodfellow, Cllr Colin McGinn and Cllr Gordon Mackett. Enjoy is audited on an annual basis by an officially appointed professional auditors – currently Scott Moncrieff.

Enjoy has robust internal governance arrangements, which is evidenced by a strong independent financial audit report, which also reported **Unqualified** Accounts for 2018/2019. Additionally, Health and Safety and operating procedures are considered through external examination by our insurers.

In terms of contract governance:

- There are four Director's appointed by East Lothian Council to the Board of **Enjoy** (all Elected Members).
- The Council have an appointed contract monitoring officer at Senior Level.
- Quarterly contract meeting chaired by ELC.
- Communication regarding service delivery between **Enjoy**, the Council and where necessary all local Elected Members is maintained at all times.
- o Senior Council staff are also invited to attend Enjoy Board Meetings as observers.

The Business Executive led by Bill Axon is responsible for the day-to-day management of **Enjoys** affairs, who are accountable to the Board of Directors.

The Non-Executive Board of Directors ensures that **Enjoy** conducts its affairs in accordance with its stated purpose. It sets the policies, strategies and objectives, and then preside over the Chief Executive and his staff who are responsible for delivering them.

The Board has been refreshed by the appointment of two new community representatives, namely Tim Day and Lesley Sutherland. At its AGM the Board elected Tim Day as Board Chair. As stated previously the Board consists of 4 Elected Members of East Lothian Council and a maximum of eight Community Representatives.

The Board is currently operating with a full complement of twelve Directors.

Business Context

Enjoys focus for the next 12 months is to work with our partners (ELC Property Maintenance) to resolve concerns regarding the Councils' medium to long term asset maintenance programme for Sport and Leisure stock and drive forward improvements in terms of customer experience.

As reported last year, a key identified risk for business continuity is the lack of the Councils available capital investment for internal Sport Centre Services, which have been identified as becoming critical due to the age profile of facilities.

Enjoy will concentrate resources to deliver projects that will not only support the financial good of Enjoy but also attempt to bridge the Councils proposed reduction in contract payment to Enjoy for 2020/2021.

All opportunities to further develop commercial prospects will continue to be investigated, however, our approach to this requires to take account of the absolute requirement to provide a business model that provides quantifiable social benefit for the communities of East Lothian. Not to do so, would compromise our approved charitable status as we would not be meeting stated objectives.

However, like other publically funded bodies it would be foolish not to recognise the continued and significant challenge of reduced funds available for public services. We will continue to address this by:

- o reducing management and administration costs
- o targeted price increases
- o developing new business opportunities
- workforce management

Enjoy fully accepts that to fulfil our commitment to the people of East Lothian, we need to make up for any shortfall through efficiencies, management actions and income generation. However, it needs to be restated that due to the operational costs of managing such high demand facilities, it would be wholly unreasonable to rely on sport and leisure centres becoming self-sufficient /supporting anytime in the future.

Enjoy has previously been able to accommodate the annual reduction in the Council contract payment fee by significantly increased participation and membership numbers, which has created a business environment for the company of growth including income. Nevertheless, this has become more difficult due to the increase in health club provision, especially budget gyms on the perimeter of East Lothian, which have become a major competitor. We have seen a reduction in gym memberships, however, we have also seen some of those who left migrating back, due to the friendly environment we offer and the significant variation and quality of services that are available to our members.

It again needs to be recognised that with so many competing leisure activities within East Lothian, affordability is the key. Any significant increase in charges could be a deterrent to those suffering genuine financial hardship, who remain a target group, for those we are trying to encourage increased physical activity.

Enjoy and all our partners need to work together to look at alternative ways of increasing income. We need to develop expenditure opportunities to collectively invest in a sport and leisure infrastructure, which will get more people physically active. It is accepted by all related professional bodies that such an approach will support and help to tackle some of the major health issues facing our region, such as obesity, diabetes and heart disease etc.

It should be noted that **Enjoy** delivers **annual** business rate saving to East Lothian Council, due to its charitable status, of circa **£750,000**. This is in addition to the reduction in contract payment, which will reach £1 million + during the period of 2020/2021 with **Enjoy** significantly increasing participation, opening hours and its support of local clubs during the same period.

Enjoy was formed to provide strategic and operational services throughout the whole of East Lothian, with a direct strategic objective of ensuring that every key town was served by a major sport and leisure facility.

Enjoy is extremely proud that this objective has been achieved in extremely challenging circumstances.

It's clear that wider objectives are now being achieved by **Enjoy**, which are demonstrated in this report, which adds resilience to Enjoy and delivers savings and strength in the Council meeting its corporate goals. In addition to the contract performance/requirements **Enjoy** continues to deliver 'added value' and success through local initiatives including working with Macmillan, NHS, local clubs and groups, employing a significant number of 'vocational trainees' and providing professional education courses.

Business Performance 2018/19

Since its creation in 2009, **Enjoy** has seen continuing growth in our income streams, despite reductions in the contract payment by East Lothian Council year on year.

Contract Payment from East Lothian Council

2010 / 11	2018/19
£2,787,612	£2,015,262

The above £2,015,262 contract payment equates to:

• 30% of Enjoy's total income

Since the first full financial year of operation 2010-11 to last year 2018-19 ELC's contract payment has decreased by 28% (£772,350).

Please note that if you include the figure for 2019/2020 the above rises further and based on the proposed reduction for 2020/2021 this will have reached circa £1 million.

This is a significant saving for the Council and Council Tax payers, however **Enjoy** has also provided a positive outcome of increased, accessibility, business activity and users.

Challenges

2018-19 was **enjoy's** most challenging financial year to date, which started with a £150k reduction in our contract payment from East Lothian Council. We also started the financial year in a deficit position, and as such the strategic objective for 2018/19 was to deliver efficiency savings across the organisation, whilst developing income generation initiatives.

Efficiency Savings

• Streamlining of Staffing Rotas

With the aim of delivering a more efficient and effective staffing structure, an extensive exercise was carried out to review each Sports Centre's staffing rota, and align this to needs of the organisation in terms of the activity programme delivered at each site. This included analysing the centre programme in 15min segments to identify the appropriate number of staffing required to achieve each task. In doing so we were able to identify opportunity for growth/expansion of our coached activity programmes, whilst also make efficiency savings on

staffing costs. In addition, we were able to appropriate allocate sufficient time to the Assistant Service Managers to be able to undertake all of their necessary administrative responsibilities.

This process is now complete for 4 of the 6 main sites. We have been able to achieve between a 5 and 8 % saving on staffing costs and have achieved an average 98% efficiency in Leisure Assistant time. We have identified ways in which we can ensure staffing levels are targeted at times of greatest need and ensured consistency across all sites. Our ability to 'cover' shifts due to sickness or holiday absence has been improved. We have factored in the need to provide cover for additional swimming lessons teachers to cope with our ambitious Learn to Swim programme development plans, although more teacher resource will be required in order to fully implement these expansion plans.

• Memberships Agreement with Mercat Gait Centre

A partnership agreement has been in place with the Mercat Gait Centre (MGC) in Prestonpans, (which is managed by a commercial entity FES FM), to include the MGC within the **enjoy**leisure membership scheme. This enables customers signing up to the membership scheme at the MGC to also gain access to the gyms / swimming pools / health suites & fitness classes at the 6 East Lothian Sports Centres managed by **enjoy**leisure and vice-versa. A financial agreement was reached with FES FM to retain and maintain this arrangement.

Access to Leisure Price Increase

in July 2018, a slight increase of 50p was made to the off-peak admission rate to the Access to Leisure scheme. Previously set at £1 per visit, this increase, although significant in percentage terms, still maintained a considerable saving to eligible participants of the scheme to standard admission prices. The increase was agreed by the sponsor of the scheme, East Lothian Council and was ratified by elected members.

This is the first time that **enjoy** had experienced the introduction of a 'budget gym' competitor. It was predicted that this would have an impact on our membership figures,

especially given their opening promotional offer of £9.99 a month gym membership. As predicted our membership figures did take a hit in Q4.

As of May 2019, Enjoy employed 341 members of staff, (223 female and 151 male).

Headline Achievements

COUNCIL OBJECTIVE: INCLUSION / SOCIAL BENEFIT

Across East Lothian, **enjoy** actively supports and encourages the participation of all ages and abilities within our sports facilities. Our focus is on providing active choices as well as developing and delivering opportunities for the communities at large to engage and participate in activities to improve their overall health and wellbeing.

As such, **enjoy** keeps the social benefit for East Lothian at the forefront of its day-to-day decision making. Some of these benefits can be challenging to directly quantify; however examples of specific initiatives that are in place include:

- Operation of fully disabled access facilities and a range of activities for people with disabilities
- Delivering the Access to Leisure Scheme for eligible customers which allows reduced rates including use of facilities at certain times for an enhanced reduced rate
- Offering female only swim sessions (one session per week)
- Availability of low impact classes / activities for users with limited or restricted movement
- Offering discounted rates for Community Clubs
- Commitment to providing Employability Placements & Vocational Volunteer opportunities within our communities.
- Developing links with the NHS & Macmillan to create a dedicated position within **enjoy**leisure to engage with local people living with cancer and beyond.
- Provision of a safe, comfortable environment within our café areas for people to meet

Disabled Access

Enjoy actively encourage participation by all ages and abilities. Disabled friendly and accessible activities provided by **enjoy**leisure and local clubs offers customers access to athletics, badminton, archery, bowling, multi-sports, fitness classes, swimming lessons (for both infants and children) and a dedicated swimming club which has members that compete at a national level.

Via the Access to Leisure Scheme qualifying East Lothian applicants are able to enjoy significantly discounted rates to make use of the facilities, making physical activity both accessible and affordable.

Furthermore we offer support to casual customers visiting our facilities for the first time, through links with specialist websites <u>www.disabledgo.com</u> and <u>www.euansguide.com</u> which provide detailed descriptions of the access and facilities available within our Sports Centres.

Administering the Access to Leisure Scheme

Throughout 2018/19 the Access to Leisure scheme, which **Enjoy** administers on behalf of East Lothian Council, provided entry to **enjoy**leisure facilities for **£1.50** per activity between the hours of 9:30am – 4:30pm Monday - Friday and discounted entry at all other times.

The Access to Leisure Scheme continues to be a popular and a well-utilised pathway for disadvantaged individuals and families across East Lothian to access sport and leisure activities.

Access to Leisure Admissions

NB: The decline in swimming lessons is not a true reflection of the number of Access to Leisure customers in lessons. As the lesson programme is primary paid by direct debit, (of which Access to Leisure customers account for 10%, they are now counted in a different way. The above figure includes "cash" payments for lessons, not those paid by direct debit.

Availability of Low Impact Fitness Classes

Being able to provide a pathway and foundation for participation is an important aspect of **Enjoy's** pledge to "inspire active living". As such, as of April 2019 **Enjoy's** fitness class offering included 77 introductory 'Low Impact' classes - 25% of the classes on offer. Highlighted with a ♥ symbol, these classes are suitable for individuals looking to make a return to exercise, without putting too much stress on joints. These classes have also attracted a significant corner of the 'senior' market and are incredibly well attended.

These classes include: Aqua Circuits | AquaFit | Ballet Stretches | BodyBalance | Fitness for All Funky Fitness | Fitness Fun | Fitness Pilates | Functional Fitness | Pilates | Stretch & Strength | Swimming | Yoga.

Discounted Rates for Community Clubs

Throughout **Enjoy's** history, we have worked in collaboration with the Sports Clubs and organisations and (since their creation) the East Lothian Sports Hubs, to deliver our commitment to provide community access to East Lothian's Sporting Facilities.

A key focus of maintaining these relationships is being able to offer the clubs and groups, fit for purpose, well maintained and importantly affordable facilities. This not only ensure the club's long-term viability, but further enhances our commitment to deliver more specialised coaching and development activities for the benefit of the community.

Modern Apprenticeships & Vocational Volunteer Opportunities

Enjoy continues to develop our partnership links with Direct Partners and East Lothian Works to offer work placements and volunteering opportunities across the organisation.

We have maintained and enhanced our relationship with Direct Partnerships, through their offering of Modern Apprenticeship opportunities. Through these links, we have been able to upskill members of staff from across the organisation through workplace Modern Apprenticeships in Facility Operations, Business and Administration and Digital Marketing courses.

Through our relationship with East Lothian Works we have 11 long-standing vocational volunteers, who work alongside leisure and café staff within our main sites. These individuals subsequently benefit from an invaluable social engagement opportunity in a workplace environment.

These partnerships allow **enjoy** to provide training, development and volunteering opportunities; therefore providing a meaningful contribution to employment within East Lothian.

Macmillan Move More Programme

In late 2018 **enjoy**leisure successfully secured funding from Macmillan Cancer Research in order establish a Move More programme in East Lothian. The initiative provides funding for 3 years, within which **enjoy**leisure will establish its own physical activity programme for those living with and beyond cancer. To date we have appointed Shauna Cunningham as the Part Time Macmillan Move More Coordinator (February 2019). She will lead the project for **enjoy**, and will in time be assisted by a Part Time Move More Facilitator, to deliver tailored exercise classes.

COUNCIL OBJECTIVE: HEALTH & WELLBEING

Sports Centre Visitor Numbers

Enjoy's services and facilities are at the core of East Lothian's major neighbourhoods. We are committed along with our partners to continuing to improve our facilities by making them sustainable, accessible and equipped to the highest standard this includes an extensive outdoor portfolio.

Some notable differences:

- Swimming lessons moved from 4 x 8-10 week blocks to running continuously 48 weeks of the year in Sept
 17. 2018-19 subsequently is the first full financial year to running this programme of such a duration, which is recognised in the significant rise in swimming lesson figures.
- ASN Activities are now recorded and invoiced differently, and therefore are no long recorded under 'transactional' customers but under group visits. As such the above drop in numbers indicated above only relates to 'pay and play' rather than ASN activities as a whole.
- The opening of Pure Gym at Fort Kinnaird Retail Park in December 2018, had an impact on membership figures, and as such gym & fitness class visits, especially in Q4, when we would normally see a peak.

Gymnastics

The gymnastics programme continues to remain strong across the county, with the programme delivered at 4 sports centres; Aubigny, Loch Centre, Musselburgh Sports Centre and Meadowmill. For the first time we have encountered a competitor to our programme. Saltire Team Gymnastics, an East Lothian Club who continues to utilise enjoy's facilities, have set up their own premises at the neighbouring former Meadowmill Golf Range, and are now actively delivering and promoting recreational classes. We have seen a slight decrease in our enrolment figures at Meadowmill and Loch Centre.

We have however, identified an opportunity to recoup these losses by establishing a gymnastic programme at North Berwick Sport Centre. A public feasibility study was carried out via social media and in centre in January 2019, which indicated significant demand for such a proposition. A formal proposal has been drafted to include the purchase of gymnastics equipment and staffing to deliver the programme.

Learn to Swim Programme

- Following the launch of the new Get in the Swim, swimming lesson membership programme in September 2017; the initiative has grown from strength to strength. Within the first year, a further 300 participants had joined the programme.
- As the expansion of lesson provision continues, we have introduced a recruitment, training and development programme to internally progress the development of Leisure Assistants through their Swimming Teachers qualifications. Furthermore the swimming lesson schedule provides for dedicated CPD sessions for swim teachers to enhance and develop their skill sets. The Swim Coordinators now in place, have begun mentoring and development of swim teacher to boost their confidence and capabilities.
- Our Swimming Development Officer, Karen Ferguson is now a qualified Swimming Teacher Tutor, meaning that we can progress the development of our internal staff without sourcing external tutors. It also provides an opportunity to increase income by opening spaces up on courses to members of the public.
- The two appointed full time Swimming Coordinators have had their temporary contract extended for another year, with the intention of reviewing these posts in 2019/20

Scottish Swimming Learn to Swim Provider of the Year Finalist

We were also delighted to have our successes within our Swimming Lesson programme recognised by industry partner Scottish Swimming. In September 2018, enjoyleisure was selected as one of 3 finalists for Scottish Swimming's Learn to Swim Provider of the Year Award. As part of our finalist nomination, Scottish Swimming attended lessons at Dunbar Leisure Pool, creating a promotional video with interviews with swimming teachers, Kristina Lorimer, Martin Cameron and Swimming Development Officer Karen Ferguson. Regrettably enjoy missed out on achieving the award which went to Glasgow Life. However to be identified as a finalist was an achievement in itself!

Membership Schemes

Fitness Memberships

enjoyleisure's Fitness Membership Scheme offers adults (aged 16+) the opportunity to access the Bodyworks Gyms, Free Weights facilities, Swimming Pools, Health Suites and 300+ Fitness Classes across each of East Lothian's 7 Sports Centres for a monthly direct debit fee.

Since its redevelopment in 2012, the Membership Scheme has continued to be a major source of income for the organisation, and a focus of our service delivery.

As detailed on the graph below, for the first time since its redevelopment in 2012, the membership scheme Q4 has seen a downturn in membership figures, where we have always previously witnessed an increase. As referenced earlier in the report, this is primarily due opening of budget-gym competitor Pure Gym opening a facility at the Western edge of the county at Fort Kinnaird Retail Park. Due to its proximity to Musselburgh, and access via the A1, four of the **enjoy** membership sites; Musselburgh, Loch Centre, Meadowmill and the Mercat Gait all saw an increase in cancellations in the opening months of its operation.

	April 2017	April 2018	April 2019
Fitness Memberships	4880	4931	4491

The total number of Fitness direct debit paying members:

The focus for 2019/20 is about re-evaluating our membership offering, identifying ways in which we can capitalise on our USPs, and introduce retention strategies to engage with existing membership base.

We continue to concentrate on delivering an engaging, balanced variety of fitness classes, maintaining the quality of gym equipment and delivering ample opportunities for swim sessions across our facilities.

This has at times been challenging, especially when faced with unforeseen maintenance closures, in particular that of the Health Suites at Musselburgh and North Berwick.

Fitness Classes

Fitness classes continue to be the biggest draw for fitness membership applications. It is therefore not surprising to see that 89% of fitness class attendees come from our membership base.

Keep Fit Classes	2018-19	%

The fitness class programme is reviewed quarterly. At these points we revise the class timetable, introducing new classes in response to fitness trends and customer interest and popularity. At all times, we strive for a balance between cardio, endurance, low impact and strength and conditioning classes to appeal to as large a customer base as possible.

In an effort to make efficiency savings, a number of under-performing classes were withdrawn from the programme, so that we could focus on delivering choice and variety to our customers, without excessive costs.

Service Level Agreements with ELC

Partnership Service Level Agreements with East Lothian Council are reviewed annually. Throughout 2018/19 **enjoy** reviewed and confirmed extensions of its SLA agreements with Payroll services and IT.

A further agreement were renewed to provide **enjoy** employees with links and access to ELC's Training & Development opportunities. Likewise **enjoy** renewed its Health & Safety SLA with the East / Midlothian partnership.

In-house Human Resource Function

The HR function has now successfully transferred in-house, with both a full-time HR Business Manager and part-time HR administrator in post.

There were some teething problems following the transfer, especially surrounding access to existing HR systems, however these continue to be developed to meet the needs of **enjoy** as an independent organisation.

HR will play a critical part in achieving efficiencies with the development of a specific HR and People Development strategy that supports the future of work within Enjoy.

Pay Award

Despite the financial challenges, **enjoy** remained committed to their workforce and through discussions with the Trade Unions were able to apply a 2% pay award to all employees. This was actualised in May 2018. Furthermore **enjoy** guaranteed to the Trade Unions that there would be no changes to staffing terms & conditions or redundancies during 2018/19.

Staffing Establishment

There were a number of staffing changes throughout 2018/19. **Enjoy** upheld its commitment to the Trade Unions, however where we had members of staff retiring, their positions were not refiled, and their responsibilities were absorbed by the existing staffing complement. This included a full time head office administration team member and a part time staff trainer. Additionally the decision was made not to renew the contract of the social inclusion officer, at 4 hours per week.

Other staffing changes included the appointment of

Head Office Function

- o Colin Sturrock as HR Business Manager, (end of March 2019)
- Shipra Srivastava as Finance Assistant, (August 2018)
- Lynsey Fletcher as Business Analyst, (March 2018)

Across the Front-Line Service

- o 43 Leavers
- o 48 New Starts

Staffing Compliment

As of May 2019, enjoy employed 341 members of staff, (223 female and 151 male).

- 160 Permanent Staff (91 female : 69 male)
- 196 Casual Staff (132 female : 82 male)

New Uniform Launch

On Monday 26th November 2018, we launched a brand new uniform for front-line staff. This included the creation of a bespoke uniform for enjoy incorporating purple and gold branded polo-shirts, black shorts/trousers, purple coach t-shirts, purple tabards for cleaners and refreshed black polo-shirts and purple aprons for café staff. A capital investment for enjoy, the new uniforms provided a bright, colourful and easily identifiable uniform for employees within the Sports Centres.

Staff Training

Through the Future Workforce Development Fund we engaged with Edinburgh College in order to deliver a number of specific training courses for our employees. This included:

- Leading & Motivating Teams x2 sessions attended by 25 employees / out of possible 25
- Communication Skills x2 sessions attended by 22 employees / out of possible 24

- Mental Health Workshop on Depression x3 attended by 16 employees / out of possible 36

As part of **enjoy**leisure's participation in the Leisure Watch Scheme, 3 sessions were delivered throughout 2018/19 to provide training and support to staff to help them recognise concerning behaviour and act to stop it, making our public spaces safer for us all.

Direct Partners

Our continued relationship with Direct Partnership, has allowed a further 3 Employability Placements to take place across the organisation. This is less than in previous years, however this was due to external funding restraints out with enjoy's control.

Additionally 2 employees completed Modern Apprenticeships in Level 2 Facility Operations, and went on to start Level 3 MAs in Supervisory Management, one employee started an MA in Level 3 Digital Marketing.

NPLQ Courses

Enjoy has maintained the Institute of Qualified Lifeguard Approved Training Centre Status, which allows our professionally trained staff to maintain their qualifications through in-house training. It also allows **enjoy** to offer National Pool Lifeguard Qualifications to the general public and through this the opportunity to explore additional income streams.

During the period of April 2018 – March 2019 we offered $4 \times NPLQ$ courses to the public which resulted in 44 people attending the course. These courses generated £11,800 worth of income for the business.

The delivery of external NPLQ training courses now feature as a vital element of our continuing recruitment process, and frequently result in attendees going on to become relief and on occasion temporary and permanent members of staff.

Community Economic Investment

North Berwick Sports Centre Refurbishment

In November 2018, North Berwick Sports Centre closed its doors to the public for 5 days in order to undergo a refurbishment upgrade. This included replacement floor coverings in public entrance, reception café, and access hallways. Additionally the pool hall benefited from new overhead lighting, a refurbishment of the pool-side shower area. Further improvements were made to improve the overall maintenance of the building.

Ormiston Pavilion

Ormiston Pavilion became operational in May 2018. This is a community facility, with the local football club, Ormiston FC having priority booking rights under a User Agreement with East Lothian Council and **Enjoy**, however with its changing rooms and community space, can be hired for multiple community purposes, and was for example used by the Gala Committee during the summer.

Café Branding

Enjoy provides a café provision within 5 of its Sports Centres, with a catering service available during special events at its 6th site, Meadowmill. New café branding materials were introduced at all sites, injecting some fresh-life into the look and feel of the café provision, with new menus, light-box displays and prominent café signage.

IT Development

General Data Protection Regulations

With the introduction of the new General Data Protection Regulations coming into effect on May 25th 2018, a considerable effort was made by **enjoy**leisure to realign our data collection, storing and sharing practices.

As well as updating all data collection material, this included a significant upgrade of our EPOS and customer data management system, Gladstone. Furthermore, a training programme was delivered to staff at all levels of the organisation, to embed the importance and revised procedures required in terms of data collection, processing and security.

IT Developments

A successful installation of the Gladstone EPOS system was installed at Winterfield Golf Course in April 2018, which has enabled a more efficient and seamless accounting of both users and income at the golf course.

In February 2019, **enjoy** complete the first installation of a new software programme, "Learn2" provided by Gladstone which allows for the electronic tracking and monitoring of participants within coached activity programmes. Linked via handheld IPad used by coaches, participants can be monitored and assessed against set criteria. This links back to a management portal used by administrators to manage the booking, movement and allocation of classes across the programme. The software also has the provision of a parental portal, which allows access for parents to monitor the progress of their child and process payments online. The system also includes a provision for enhanced e-communication with participants / parents. Considerable configuration is required to get the software to get up and running, which is being progressed in conjunction with the IT team at East Lothian Council.

Sustainable East Lothian

Enjoy is a key economic driver within East Lothian, not only as a major employer, but also in attracting events and investment to underpin new activities for the benefit of targeted groups.

We also contribute in making East Lothian a destination of choice to live, visit and work.

We are committed to working with our partners East Lothian Council to ensure environmental sustainability through investment when modernising the estate. This is entrenched in management decision making and the administration of the existing estate and in all planned refurbishments agreed with our partners East Lothian Council.

Financial Performance

An annual audit of Enjoy was undertaken by an external auditor (Scott-Moncrieff), which reported an unqualified audit opinion. Extracts from latest audited accounts are shown below.
