**REPORT TO: MEMBERS' LIBRARY**

**MEETING DATE: MAY 2025**

**BY: HEAD OF COUNCIL RESOURCES**

**SUBJECT: QUARTERLY CUSTOMER FEEDBACK REPORTING**

---

## **1 PURPOSE**

- 1.1 To provide members with quarterly Customer Feedback reporting noting improvements made to ensure compliance with the Scottish Public Services Ombudsman (SPSO) reporting requirements in publishing data for performance indicators on a quarterly basis.

## **2 RECOMMENDATIONS**

- 2.1 To note the contents of the report on the Council's complaints reporting for 1 January 2025 to 31 March 2025.

## **3 BACKGROUND**

- 3.1 East Lothian Council currently complies with the model complaints handling procedure (CHP) for local authorities introduced by the Scottish Public Services Ombudsman (SPSO):

Stage 1 (Frontline Resolution) - Complaint dealt with at point of service within 5 working days

Stage 2 (Investigation) – Complaint investigated; acknowledged within 3 working days and response provided within 20 working days

If complainants remain dissatisfied after completing this process, they have a legal right of appeal to the SPSO.

- 3.2 Customer feedback is recorded within the Council's new Customer Platform (OCP), which provides data on the types of complaints customers make about Council services, as well as complaint handling performance. This system also records comments and compliments from customers.
- 3.3 Feedback is formally channelled through the Contact Centre, local area offices and the Customer Feedback Team to ensure accurate recording and reporting. Service areas are actively encouraged to report complaints through the formal reporting channels where feedback is received directly to them.

- 3.4 The SPSO has developed performance indicators that allow the Council to assess and demonstrate how it is carrying out its functions.
- 3.5 The SPSO requires the Council to report on these performance indicators on a quarterly basis and that the Council's performance is published on the Council's website. A new complaints performance document has been produced and published on the Council's website detailing ELC's quarterly complaints data meaning that ELC is compliant with the SPSO guidelines on publication.
- 3.6 The required quarterly reporting on the SPSO performance indicators has now been adopted as part of the Council's standard reporting mechanism for Complaint Handling. Annual reporting and trends are available for viewing in the PPRC report:

This report highlights performance in Q4 (1 January 2025 to 31 March 2025). The figures for Quarter 4 can be found in appendix 1.

- 3.7 Customer Feedback will publish findings in accordance with SPSO performance requirements.
