1a. Application for Consideration

North Berwick Community Council

The North Berwick Common Good Committee considered an application submitted by North Berwick Community Council for £2000 to contribute towards the cost of North Berwick pages within the twice annual Local Life magazine.

Members discussed the application and felt £2000 was a lot of the budget to use on the pages within the magazine as other sources also provide the information that is found within the magazine. Members decided to award a partial grant of £1000 to the North Berwick Community Council.

Decision

The Committee unanimously agreed to grant a partial amount of £1000 to the North Berwick Community Council.

1b. Application for Consideration

Rotary Club of North Berwick

The North Berwick Common Good Committee considered an application submitted by the Rotary Club of North Berwick for £4000 towards the renovation of two traditional pavilion shelters in North Berwick.

Members discussed the application in detail and felt reassured by the information provided within the application in regards to where other funds had been sourced from and the maintenance of the shelters after renovation. Therefore, Members agreed to fund the application in full.

Decision

The Committee unanimously agree to grant the full £4000 to the Rotary Club of North Berwick.
