a) Enjoyleisure

The North Berwick Common Good Committee considered an application submitted by Enjoyleisure for £8241.68 for 2 sets of porta goals, 2 sets of poly nets and the delivery of items.

Members discussed the application and noted how much they value the work of Enjoy and would gladly see future applications from them in the new financial year but unfortunately due to limited available funds were only able to offer £500 towards this project.

Members discussed the application and recognised the important to the community but unfortunately were unable to fund the application in full due to the demands of the Common Good already taking up much of their funding. Members unanimously agreed to partially fund the application (£1500).
