The information on this form may be held on an electronic public register which may be available to members of the public on request.

SUPPLEMENTARY APPLICATION INFORMATION

This information is required in relation to all Premises Licence/Provisional Licence applications or any application which is a Premises Licence Variation, not considered to be a Minor Variation.

Application submissions generally tend to be insufficiently detailed as to provide a complete picture of what businesses propose to provide the public. Therefore, Licensing Boards often have too little information, in advance of Board hearings, to fully appreciate what is being applied for. This situation often leads to numerous unnecessary objections and representation being made due to interested parties, such as neighbouring residents, not understanding what proposed activities really relate to i.e. What does Live Music actually mean and how will it impact on their lives. For these reasons, the Board has made a policy decision to require applicants to provide a fuller description of their business proposals and detail how the five licensing objectives will be met.

BUSINESS PROFILE

Please describe your business offering

This is a well-known restaurant, which has been in the family since 1981, when the current owner's father arrived in this country from Italy. It has been licensed since that period, but unfortunately this Application is necessary due to an oversight after Mr Mastrocinque's death and the Transfer not being submitted.

It is a well-known Italian restaurant, which also does takeaways and deliveries, although at the moment deliveries are not done on a frequent basis.

The previous Licence did not have off sales, but they would like to add off sales so that this can be offered with takeaways, something that customers often request.

There is a huge regular clientele, but North Berwick is a busy destination for tourists and visitors most of whom will visit the High Street, and they are made very welcome as well.

ON CONSUMPTION

(a) Please describe the type of business you intend to operate in respect of On consumption.

As explained above, alcohol would be used for diners having a meal in the restaurant, or occasionally casual diners who call in to visit.

OFF CONSUMPTION

(b) Please describe the type of business you intend to operate in respect of Off consumption & deliveries

This is a new addition but would be in connection with takeaways, with a food order.

CLARIFICATION IS REQUIRED IN RELATION TO THE CONTENT OF YOUR PROPOSED OPERATING PLAN

To what extent do you intend to use any of the following:
Accommodation; Conference Facilities; Restaurant Facilities; Bar Meals:

Restaurant Facilities as explained above.

Social Functions – Weddings; Birthdays; Retirements ; Other:

If you intend to provide for any of these functions please describe the nature and extent and likely frequency of each:

There is not a separate area for social functions but they do have celebrations of birthdays, retirements etc. There is an area towards the rear of the restaurant which could be given over to this. These are not particularly frequent and indeed are not always known in advance! This does not effect the continual operation of the business.

Entertainment – Recorded Music; Live Performances; Dance Facilities; Theatre; Films; Gaming; Indoor/outdoor sports; Televised Sport - If you intend to provide for any of these facilities please describe the nature and extent and likely frequency of each:

Recorded Music at an appropriate level to enable diners to chat, while they are having their meal.

Outdoor Drinking Facilities - If you intend to provide outdoor drinking facilities please describe where and what the facilities will be used for. You will also be required to provide a statement in the objectives section how you intend to prevent public nuisance from use of such facilities:

Not applicable.

Adult Entertainment – If you intend to provide any entertainment of a sexual nature please state the type and likely frequency if use. Adult entertainment is any form of sexual stimulation and includes adult humour or explicit language. The Board will also expect you to address the objective of preventing harm to children and young persons:

Not applicable.

Activities Outwith Licensed Core Hours - In your Operating Plan, at 5(e), you should have given details of any activity that will be provided outwith core licensed hours. If you wish you can expand on your explanation here:

The premises do not open prior to licensed hours.

Any Other Activities - In your Operating Plan at 5(f) you should have given details of any other type of activity you are likely to cater for. It would be useful to give an indication of the extent and frequency of such events:

We have included Takeaways and Deliveries as additional Activities, which may include alcohol with a food order.

Children and Young Persons – If you intend to provide access for children and young persons on the premises please provide details of what facilities you have on the premises in respect of different age groups. In addition, please state where and what baby changing facilities will be provided for children under five years.

This is a very child friendly restaurant, with large family groups regular visitors.

We have included a provision which we appreciate is outwith policy, but is asked for on a fairly regular basis. We have requested that children of 14 and 15 can be permitted access on their own. Apparently parents, who know the owners, sometimes phone up and ask if it is okay if their son or daughter comes along with some friends. Obviously no alcohol is requested/ provided but they would like to be able to offer this facility and it would only be on this basis.

LICENSING OBJECTIVES

Please provide details below of how you will ensure that the 5 Licensing Objectives are complied with. It may be helpful in answering this section if you refer to the East Lothian Council Licensing Board's 'Statement of Licensing Policy, which can be found at https://www.eastlothian.gov.uk/downloads/file/27884/statement_of_licensing_policy_2018-2023

Preventing Crime and Disorder

The restaurant is located in the busy High Street and they do not experience any trouble. They do not have drunk customers – the restaurant apparently opened late when Mr Mastrocinque first opened it, but there is no longer the desire or demand for this. They have had a couple of historical incidents which were due to people leaving without paying, when the Police were phoned, but that was a long time ago.

Securing Public Safety

Our clients are very aware of their responsibility to customers. This is a very personable business whose goodwill depends on maintaining good relationships with customers, which they take a pride in doing. A lot of them are well-known. The restaurant is laid out in a way that is customer friendly, and the matter of entry for disabled people has been addressed in the accompanying Form.

Preventing Public Nuisance

As explained, the restaurant does play background music but at an appropriate level. The restaurant is located on the ground floor of a three storey building and the whole building is actually owned by the family and they live in the flats above.

Many customers will be walking home or going back to their hotel. Taxis can be ordered and if there were groups standing outside, blocking the pavement for instance, they would be encouraged, in a polite and friendly manner, to move on.

Protecting and Improving Public Health

Our clients are very aware of the concerns expressed by the Government, and the Licensing Board as to the overconsumption or irresponsible consumption of alcohol. They don't want people who have drunk too much here. That would be detrimental to the ambience of the restaurant. They would not hesitate to refuse customers, if appropriate.

Healthy food is provided with ancillary alcohol and customers are not expected to behave anything other than responsibly.

Protecting Children and Young Persons From Harm

As explained this is a very family friendly restaurant, and somewhere that parents would not mind their children coming along and having something to eat, in a restaurant where they know that nothing inappropriate would take place and that they will be looked after by the management.

APPLICATION SUPPORTING COMMENTS**Additional Information**

Due to the oversight by the owners, there has been a period when the restaurant had to stop selling alcohol. This was of concern to them although they accepted the fact that this was down to their error, but the customers have been so supportive. There has been a huge element of goodwill to them.

Supporting Comments

i.e. reasons why the Board should support your application.

Hopefully the Board can understand that this was an administrative oversight and that the need for this Application is very unfortunate, but the Board have no alternative but to insist on it. It is being reinstated to a large extent based on the previous Licence, but with a few updates such as the addition of off sales which is a regular inclusion in Licences these days.

We are not aware of any issues with the Police and the LSOs over the years.

The clients very much hope that the Board can support the reinstatement of this Licence.

DISABLED ACCESS AND FACILITIES STATEMENT

Licensing (Scotland) Act 2005, section 20(2)(b)(iia)

Question 1

Disabled access and facilities

1(a)	Is there disabled access to the premises	YES
1(b)	Do you have facilities for those with a disability	YES
1(c)	Do you have any other provisions available to aid the use of the premises by disabled people	YES
*Delete as appropriate		

If you have answered Yes to any of the questions above please complete, as appropriate, the following sections.

Question 2

Disabled access to, from and within the premises

Please provide clear and detailed description of how accessible the premises are for disabled people. e.g. ramps, accessible floors, signage.

As will be seen from the photo attached there is a small step. Our clients have had customers in wheelchairs over the years and generally access can be obtained with assistance/ care.

Our clients do have a temporary ramp which can be used for assistance.

Question 3

Facilities available

Please describe in detail the facilities provided for disabled people. e.g. disabled toilets, lifts, accessible tables.

There is an accessible toilet in the restaurant for customers once they have entered.

This is a restaurant that has been operating in this location and built up a large amount of goodwill amongst local residents. They look after their customers. That would include many regular customers who are elderly or infirm.

The owner and her staff value that loyalty, and look after customers, including those with any mobility, sight, hearing issues etc.

Question 4

Other provisions

Please provide details of any other provisions made to aid the use of the premises by disabled people. e.g. assistance dogs welcome, large print menus.

Once again this matter has been brought to the attention of our clients and they will now do an assessment of what facilities they may be able to provide, and in particular assistance for other types of disability, beyond mobility difficulties, including mental health, sight, hearing and other types of illness.

It is hoped to provide staff with guidance as to how to identify such people and what assistance can be provided.

DECLARATION BY APPLICANT OR AGENT ON BEHALF OF APPLICANT

PROVISIONAL PREMISES LICENCE APPLICATION

BELLA ITALIA, 12 HIGH STREET, NORTH BERWICK, EAST LoTHIAN, EH39 4HQ

I refer to the above subject and can confirm I have visited the premises, and the site notice was correctly displayed.

Section 45 (1) Licensing (Scotland) Act 2005 - A premises licence application may be made in relation to any premises despite the fact that, at the time the application is made, the premises are yet to be, or are in the course of being, constructed or converted for use as licensed premises.

This type of licence is considered for premises that are yet to be, or in the course of being, constructed or converted for use as a licensed premises. A premises licence was previously held at this premises, however, it ceased to take effect in November 2022 when the premises licence holder passed away. Full details of the circumstances surrounding this were presented to the Licensing Board in September 2025. The unlicensed sale of alcohol continued whilst under the control of the applicant for nearly 3 years.

I can confirm that the application is compliant with the act.
