I declare that I have read and understood the mandatory conditions that apply to short-term let licences and East Lothian Council's additional conditions

I declare that the information given in this application is correct to the best of my knowledge

PLEASE NOTE

There is confusion of the terms 'Secondary Letting' and 'Home Letting'. I am applying for a STL Secondary Letting as defined in Part 1, Q2 of: East Lothian Council SHORT-TERM LETS LICENSING / APPLICATION FORM / GUIDANCE NOTES The Civic Government (Scotland) Act 1982 - (Licensing of Short-term Lets) Order 2022. It states the following:

Short term license type

4. Secondary letting: means a let involving the letting of property where you do not normally live, for example a second home.

As such, on the application Part 3, Application and License Type, Pg 6, I selected Secondary Letting. However, regarding Part 2 of the Application, Premises Details, Pg 5, there is no Secondary Home Letting listed, only Home Letting. Therefore, I selected Other Options of Home Letting while inserting and highlighting: Secondary Home Letting below Other Options of Home Letting.

Hi

The applicant has come to Planning directly with the information we would normally request. I can see on our system that enquiry has been logged but is awaiting allocation to a case officer. If it is allocated to myself then I will be in touch to confirm if the use of the property as short-term holiday let accommodation requires planning permission or not.

Dear Sirs,

Living in a residential area, it has been a bit disturbing that two houses in North Street are wishing to be used as short term lets. One at Number 10 North Street has apparently been granted a licence and now No 12 North Street is applying. I live to No 12 - and do not want to seem unneighbourly, but I'm not happy at not knowing who is coming and going I'm an OAP and have enjoyed over 20 years living here knowing who my neighbours were. The new 'visitors' do not know the vagaries of parking in North Street where there are stretches where the road does not lend itself to cars being parked - you only know that from living here as the current residents do know, and are also aware of the days that the bin collections and recycling lorries come.

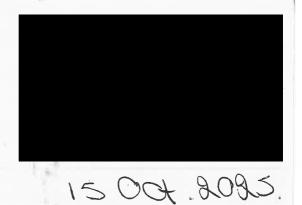

I appreciate ARBNB keep coming, but I would just like to register my concerns on the impact to the long term residents and would hope that the Council would consider our thoughts. I do not want to alienate my neighbour, but feel I have the right to comment.

As a bye thought, I registered my concern when the large house in Manor Gardens was being built that it should have off street parking and not park in North Street which is already busy with residents. He has off street parking but he continually parks one of his cars in North Street - which displaces the residents who don't have the luxury of parking anywhere else. I appreciate it's not illegal, but very unneighbourly.

Kind regards Liz Thom
