

ORMISTON Journey Hub

Welcome to the Ormiston Journey Hub.

East Lothian on the Move

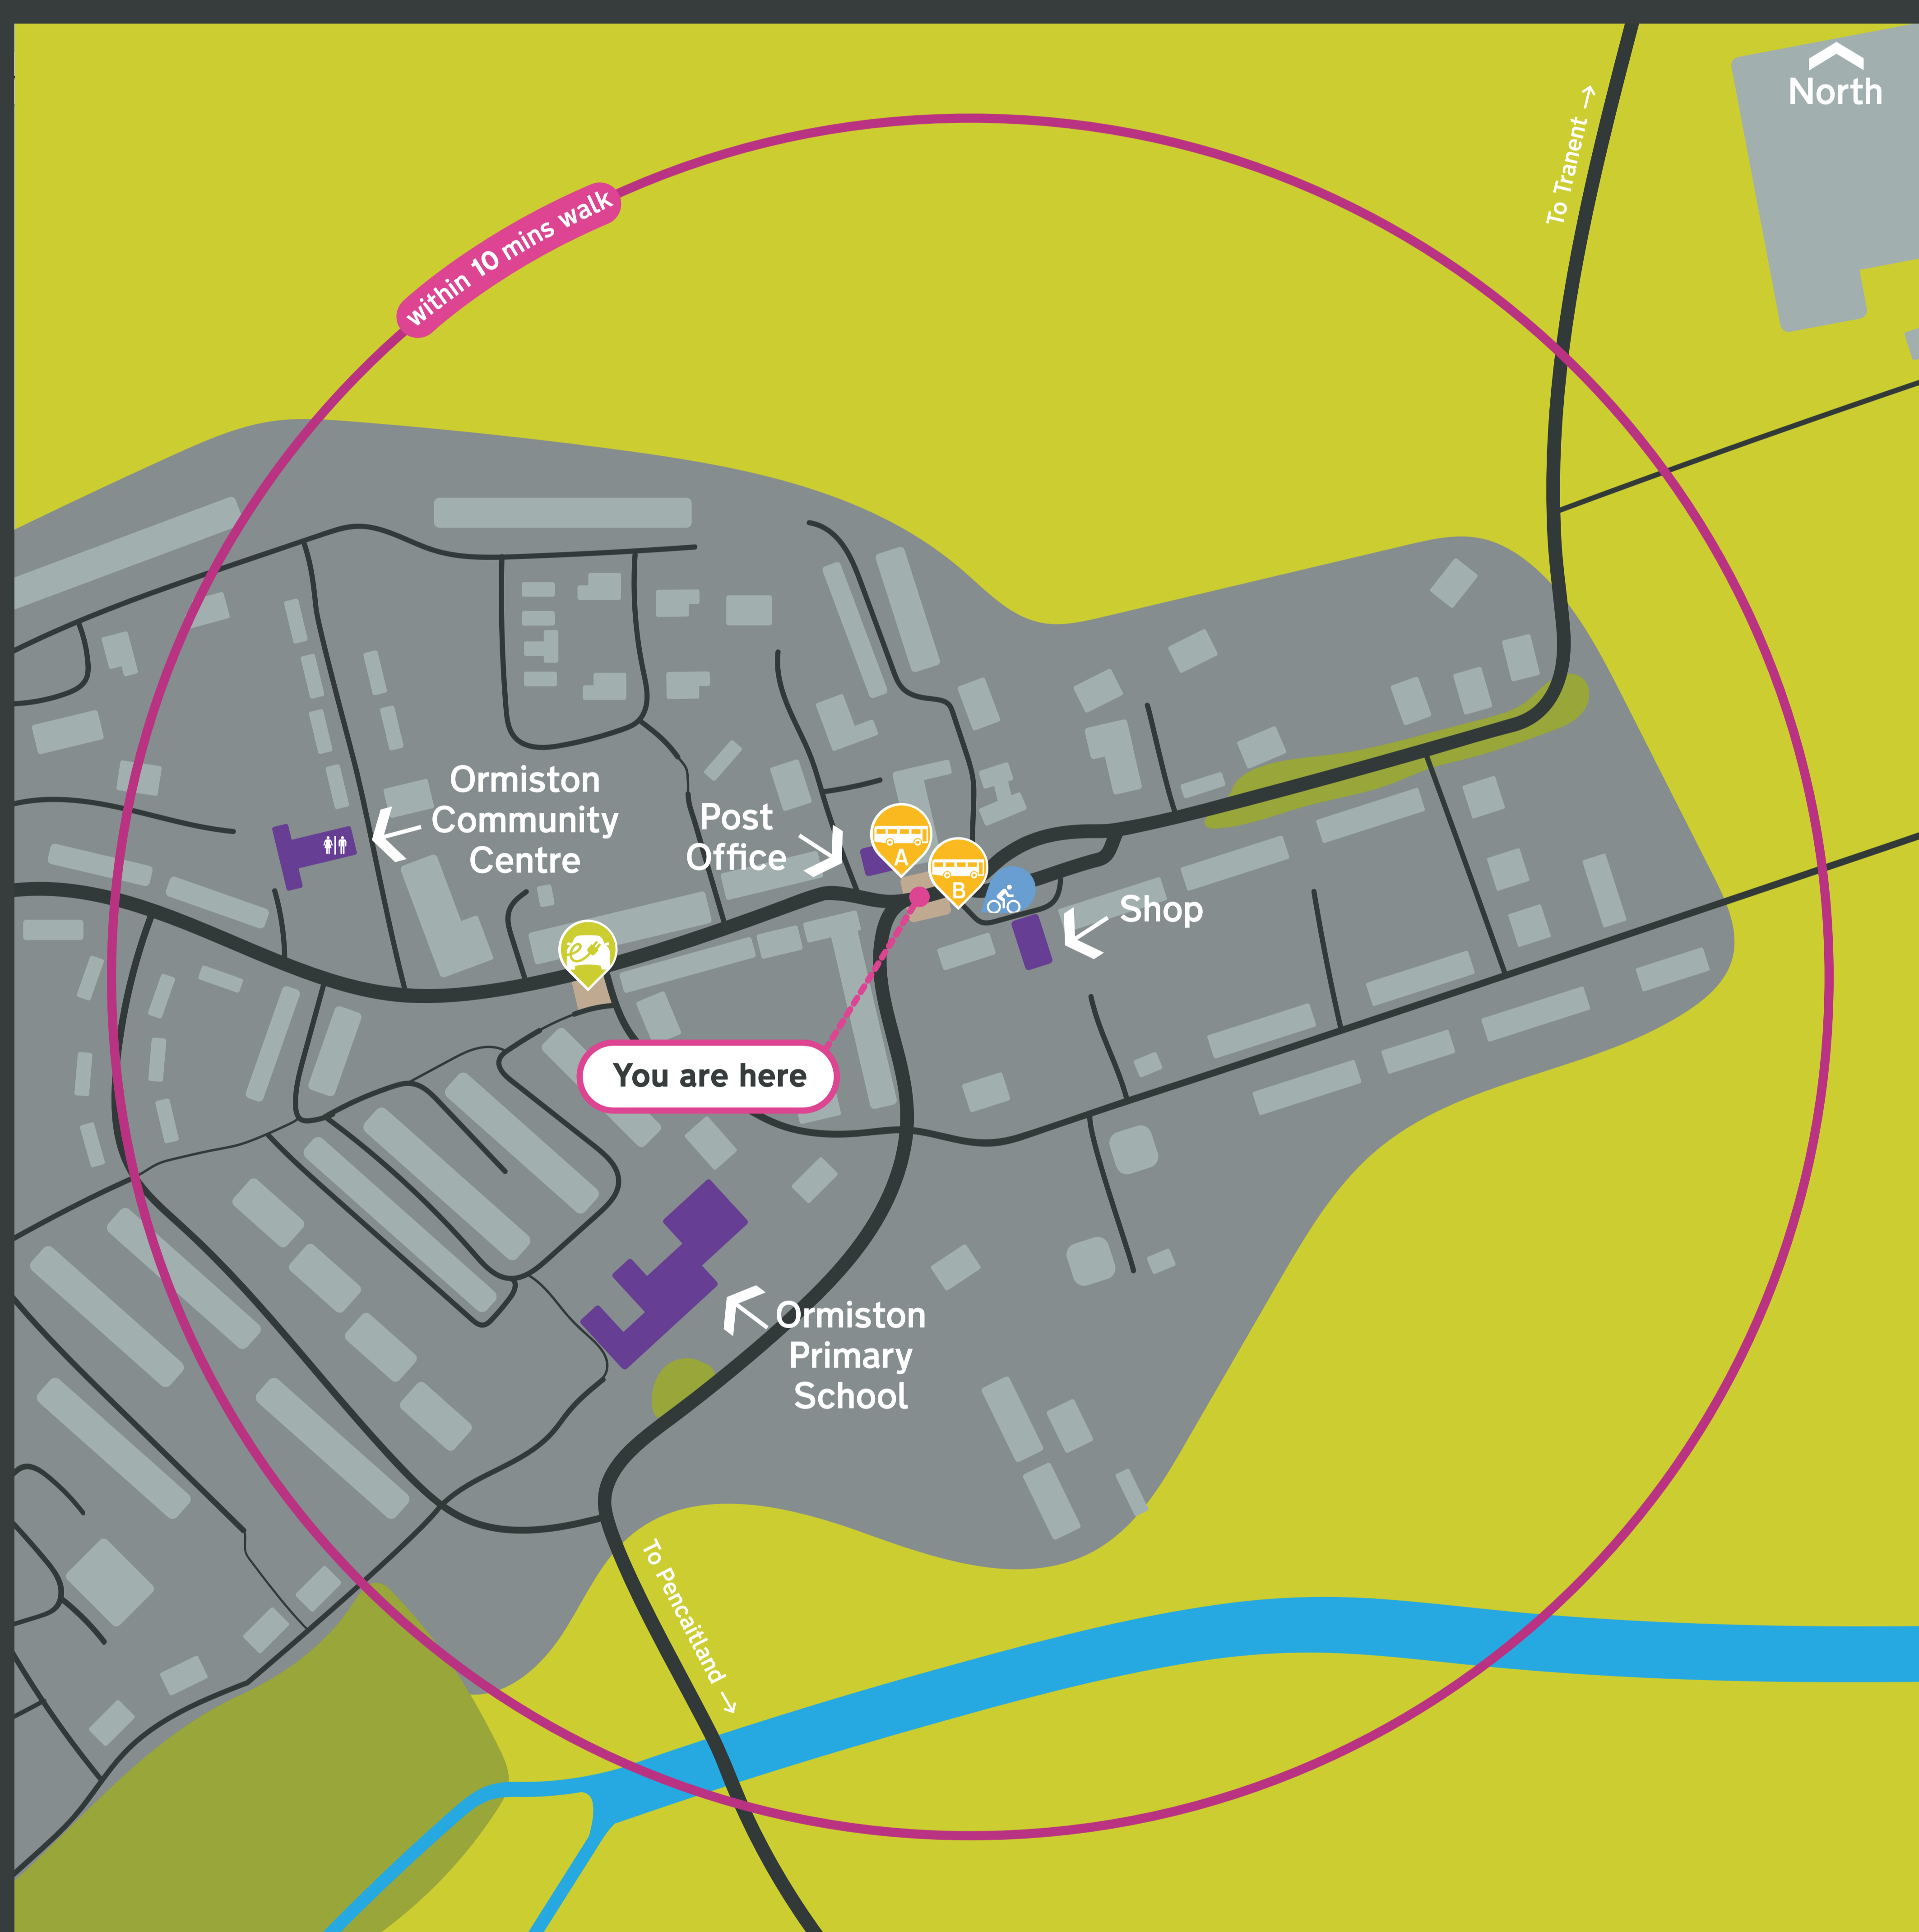

This Journey Hub is your gateway to active and sustainable travel options across East Lothian and beyond.

Why use a Journey Hub?

East Lothian's Journey Hubs are locations where different modes of transport connect – like buses, trains, bikes, EV chargers, car clubs and walking routes. They are designed to make travel more efficient, accessible, and sustainable.

Reasons to use your local Journey Hub include:

- reduce your carbon footprint
- improve your health and wellbeing
- support a clean, greener East Lothian
- save time and money.

Bus services

Regular local and regional services. Visit travelinescotland.com for more information.

- 113 A: 113 / N113 to Tranent / Edinburgh.
- B: 113 / N113 to Pencaitland.

Cycle racks

Cycle racks to secure your bicycle.

Chargers

Car charging is available at Community Centre. Visit zap-map.com/live or www.plugshare.com to find out more.

East Lothian on the Move Your Guide to Sustainable Travel

As climate change, congestion and running costs challenge our choices, public transport and active travel provide a convenient, sustainable alternative. East Lothian on the Move is here to help local residents and visitors save money and time as they get around the county. For your free guide, scan the QR code or visit us at eastlothian.gov.uk/on-the-move to find out more.
