

TOOLKIT

Booky Bunting!

Decorate your reading space to celebrate your love of books!

Print out our template and write or draw your favourite book/book character – or even the book you think should be written!

Once you've gathered a few flags, tape them to a length of colourful wool, string or ribbon and hang them up around your reading area.

Change them up depending on the season or swap them with others to share your reading inspiration.

We'd love to see your creations! Please email any photos to libraries@eastlothian.gov.uk and let us know if you'd be happy for us to share them on our Facebook and Instagram feeds.
